any further comments: The Deddington team were surprised at the way in which the Warwick mixed pairs were decided. It was clear after the Mens & Ladies doubles that one of the ladies was far stronger than the other and that one of the men was also the more complete player. Before the mixed doubles matches started we asked for clarification that the pairs were playing the correct way round.

The A pairing match was rather one sided whereas the reverse fixture would have been much more enjoyable. At the end of the fixture, our first pair felt cheated out of playing a more competitive and enjoyable game. There was such a big discrepancy in the standard and their second pair would have convincingly beaten their first pair.
