

# Banbury Tennis Leagues

Secretary's Report

29th January 2019

---

Dear Members and Club Representatives

Thank you everyone for attending our AGM

Another year passed and since we last met we have seen a cold snowy winter, a wet spring and then a fabulous long and hot summer. We have played a lot of matches and though with some difficulties we are now using Playwaze and the new system for submitting results for almost two years.

As many of you have noticed earlier in the year there have been significant technical difficulties with Playwaze website and although on the outside it may look the same the underlying database and the tables generating code have been now completely replaced to address the slow response time and the errors which we have been experiencing.

Obviously during the year I did have some feedback both positive and negative. I have been trying my best to accommodate your requests and assist you as quickly as possible. I believe that technical issues aside most users are now able to use Playwaze for entering results and that the embedded tables on the [banburytennisleagues.com](http://banburytennisleagues.com) are also serving its purpose well allowing to view any match result without the need to be logged into Playwaze.

Regarding the Summer League entries Banbury West End have added a D team again so it's 30 teams instead of 29 last year.

We have 4 entries in Ladies and 4 (or 5?) entries in Mixed Weekend Leagues but unfortunately the Mens Weekend League only attracted 1 entry and therefore unless there will be some late entries we will be, once again, not able to run it in 2019.

Congratulations to Banbury A who have returned as the Summer Leagues Champions after only one year without a title and to Hook Norton A who finished Runners Up.

No club in any of the leagues managed to finish undefeated last year – the leagues are becoming more competitive and hopefully even more fun to play!

Regards

Art Kharlamov  
League Secretary - Banbury Tennis Leagues
