

# Banbury Tennis Leagues

In mid February 2013 the Match Secretaries of the three Banbury Tennis Leagues were invited to participate in a survey with the following question:

*Should we extend the deadline?*

*The weather has been really bad and we have many matches still to play so should we extend the season?*

*Possibly even overlapping with the Summer League?*

**The survey was sent to 15 people, 13 of which responded at which point a majority was reached and the survey was closed.**

**The results are as follows:**

**Q3. Should we extend the completion date for Winter and Floodlit Leagues?**

**Yes 11 No 2**

**Q4. If yes, when should the completion deadline be?**

**a further two weeks (12th and 14th of April) 7**

**a further three weeks (19th and 21st of April) 3**

**a further four weeks (26th and 28th of April) 1**

The deadline will therefore be extended until the 12th of April for Floodlit League and the 14th of April for the Winter League.

Thanks to those who participated.
