On the 7th of July 2012 the Match Secretaries of Division 4 of the Banbury Tennis Winter League were invited to participate in a survey with the following question:

I have received a late entry for the Banbury Winter League

As you know fixtures have already been arranged so assuming that I can arrange it would you be prepared to allow it and for your proposed fixture list to be changed?

The survey was sent to 6 people, 5 of which responded at which point a majority was reached and the survey was closed.

The results are as follows:

Q1. are you prepared to accept another entry after the deadline date?

Yes 4 No 1

The late entry was therefore accepted.

Thanks to those who participated.
