Secretary's Report

15th February 2022

Dear Members and Club Representatives

Thank you everyone for attending our AGM

Another year have passed, and we last met online and again what a strange year it was!

I am sorry that we are again meeting via Teams and that this AGM has been called at a rather short notice but even a month ago no one really know what were the implication of the new Omicron strain of Covid.

I would like to say a big thank you to all clubs for the support and understanding of various delays and difficulties which we had to face in navigating a difficult 2021.

Obviously during the year, I did have some feedback both positive and negative. I have been trying my best to accommodate your requests and assist you as quickly as possible. I believe that technical issues aside most uses are pretty comfortable using Playwaze but there still people who are obviously struggle.

As discussed last year we have an obvious problem with the summer weekend leagues.

They are shrinking every year and this year is no longer possible to run the Ladies division.

There was only 3 teams playing each other twice for 3 years so it is not a big surprise that they all finally decided not to enter and to join some other leagues instead.

In the mixed division we have only to confirmed entries from Harbury and Towcestrians so far.

Regards
