

Banbury Tennis Leagues

Secretary's Report

28th January 2020

Dear Members and Club Representatives

Thank you everyone for attending our AGM

Another year passed and since we last met have played a lot of matches and though with some difficulties, we are now using Playwaze and the new system for submitting results for three full years.

In general, the system works and hopefully you are all now familiar with it but I have to admit that the number of issues we had was often caused by errors introduced by Playwaze.

Obviously during the year, I did have some feedback both positive and negative. I have been trying my best to accommodate your requests and assist you as quickly as possible. I believe that technical issues aside most users are comfortable using Playwaze.

Regarding the Summer League entries Banbury West End have dropped one team leaving 28 teams for the 2020 season assuming Banbury will field two teams.

We have only 3 entries in Ladies and hopefully 5 (pending Priors Marston feedback) entries in Mixed Weekend Leagues but unfortunately the Mens Weekend League again only attracted 1 entry and therefore unless there will be some late entries we will be, once again, not able to run it in 2020.

Congratulations to Byfield who have finished as the Summer Leagues Champions and to Hook Norton A who finished Runners Up.

No club in any of the leagues managed to finish undefeated last year – the leagues are becoming more competitive and hopefully even more fun to play!

Regards
